## GUIDELINES FOR OUR FURRY FAMILY MEMBERS

We are happy to share our resort with your furry companions in our pet-friendly cabins. However, we do ask you to follow our guidelines to ensure the safety of your pet and the experience of our other cottage guests.

- Bring a blanket for your dogs when sitting on the furniture.
- The white towels in the bathroom are for humans only, there is a green towel for dogs and muddy feet.
- Guest's dog must have required shots, licenses and tags, including name tags.
- Dogs are not allowed to be washed in the bathtub or showers. Guests may use the garden hose and spigot on the side of the cabin.
- Pets must be with owners at all times and with a leash.
- Aggressive behavior is not tolerated - disruptive barking, jumping on other guests, etc.
- Please clean up any bathroom needs your pet leaves behind.
- Do not leave your dog at the cabin unattended.
- Please respect the wildlife. Though your dog may be small, it may appear as a fiery pursuer to the natural wildlife of the area.
- Guests are required to pay for any damage their dog causes.
